I study in the Jamia Ghousia Mehria Multan. It is situated outside the city. It has three gates and a long boundary wall. It is L-shaped. It has three big grassy grounds and one small grassy ground where the students play games. It has a big mosque at the design of Shahi Masjid Lahore where students offer prayers. It has more than one hundred big rooms. All the rooms are airy and ventilated. It has a big library which is about 7,000 books. About 1200 students read in our madrasa. 40 teachers work in our madrasa. They are all able. Due to their hard work our school shows hundred percent results every year. ### My Best Book

I have read many books but the book I like most is the Holy Quran. It means the most widely read book. Its author is not human being. Allah is the Author. He sent this book to the Holy prophet Hazrat Muhammad ~~through~~ through an angel in parts. The Companions of the Holy prophet Muhammad ~~collected~~ collected the parts on which verses were written such as leather leaves of trees, stones etc. They learned them.

The Holy Quran has thirty chapters and 114 suras. In this Holy book describes every matter of life. It is last book of Allah. It leads us in every fields of life. It is that book which most widely read in the world. I like it very much so, I recite it two times in a day.
